Write down key words as you work through the questions below.

- What is your artefact?
- Who might have used it? Where might they have used it? What is the environment like where they used it? (Dark/busy/indoors)
- What does it tell us about that time in History and those people? What stories does it tell?
- What actions do you do when you use it?
- What emotion does it provoke in you? How could we show this in our movement actions, space and dynamics?
- What words would you use to describe the characteristics of the artefact? (Hard/soft/shiny)

Agree on 5 of those key words that represent your artefacts and highlight those.
