

Aesop Story Ping Pong Pairs

In this activity your pupils will work in pairs to tell a story.

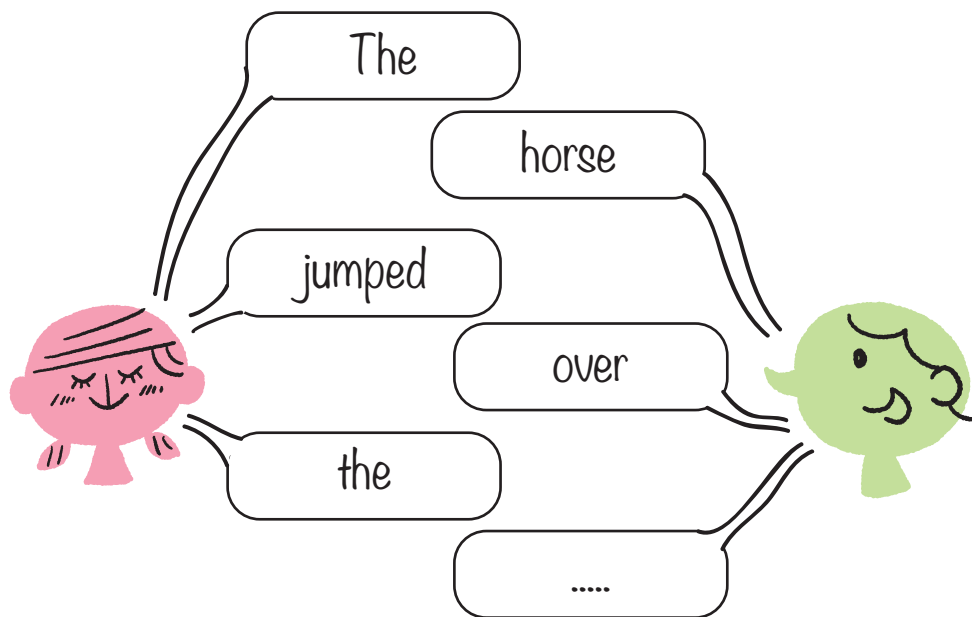

Materials

Story inspiration cards

Process

1. To tell this story pupils will take it in turn to say a word.
2. Before they start have pupils choose:
 - 2 animal cards
 - 2 settings cards
 - 2 object cards
 - 2 verb cards

At some point in the story your pupils will need to fit in these eight words.

Extension

1. Instead of saying a word at a time each pupil could say a whole sentence. This time ask pupils to say a whole sentence of the story at a time.
2. Let pupils see all the word cards for inspiration.
